You are now in the store :)

Electrolysis Enhancer
This is ***required*** to create **2.5pH** & **11.5pH**.
***You’ll want to keep this always on hand!*

This can be found under Supplies>Electrolysis Enhancer Refill.
It is pretty inexpensive:
1 pouch: $4.00
6 pouches: $18.00
30 pouches: $75.00

E-Cleaner Cleaning Powder
This is ***required*** to **clean your machine.** (roughly once a month)
***You'll want to keep this always on hand!*

This can be found under Supplies>Cleaning & Maintenance
It is also pretty inexpensive:
1 container: $40.00

For SD501U (Under-the-counter Unit)
and Super 501

High Grade Water Filter
This is the filter that is within your water
ionizer that you will want to replace roughly every 1500 gallons

This can be found under Supplies>Replacement Filters
Be sure to select the ***High Grade Filter***.

For Leveluk K8
